# Getting Personal

Mint on the pillow? Boring! Monogrammed pillowcases? Getting there. But how about even more personal touches — ones that are more fun? Check into Level Nine of **THE DUPONT CIRCLE HOTEL** in Washington, D.C., and you'll find a complimentary, customized cocktail bar with all the ingredients you need to make your favorite beverage. (Did we mention top-shelf liquor?) Many Four Seasons hotels also offer intoxicating amenities — at **FOUR SEASONS HOTEL CHICAGO**, guests are visited by the Martini Man, who comes wielding spirits on a cart for an in-room happy hour. Kids will love the hotel's Ice Cream Man and Hot Chocolate Doc, and the cupcake amenity at **FOUR SEASONS HOTEL BOSTON** hand-delivers cupcakes with piping bags of icing and decorations. Kimpton Hotels also has rolled out a wealth of custom amenities, like the s'mores kits at **RIVERPLACE HOTEL** in Portland, Ore., and custom soaps made from herbs and flowers grown on the rooftop garden at **THE ALEXIS HOTEL** in Seattle. Guests staying at the newly renovated **HANOVER INN AT DARTMOUTH** in Hanover, N.H., will love the Whoopie Pie turndown service (the dessert originated in New Hampshire), where a festive flavor is delivered each month (think vanilla with champagne filling for January). Head north to the **ROSEWOOD HOTEL GEORGIA** in Vancouver, British Columbia, and you'll find an on-call Fragrance Concierge  armed with luxurious scents (Chanel, Marc Jacobs and Hermès, to name a few). —KATE PARHAM

# Sweet Success

Cookies and french fries are two of the world's best guilty pleasures. But what if you could put them together and sink your teeth into some *cookie fries*? That's right, cookie fries. **THE COOKIE JOINT**, an online company based just outside Chicago, makes sweet dreams come true with these shortbread cookies shaped like crinkle-cut french fries with fun dipping sauces as condiments.

The tasty treats come in five varieties — original, chocolate chip, double chocolate chip, cinnamon

spice and chocolate toffee crunch — and sauces include tangy raspberry, peanut butter, salted caramel, hazelnut, chocolate and marshmallow. They're packaged in cute fry cartons or served in a kitschy-cool deep-fryer basket — perfect for your next party. [www.thecookiejoint.com](http://www.thecookiejoint.com) —LISA LUBIN

# Juice That Delivers

A new year always inspires us to get healthy, but sometimes, it's not that easy. You travel, your work/kids/life schedule can suddenly somersault and, often, finding healthy options can be a chore. But Eric Ethans and Annie Lawless, founders of **SUJA JUICE**, have your back — and your Rx. "Suja was founded upon a passion to help people transform their lives through nutrition," Ethans says. A few clicks on the Suja site will lead to your having fresh, raw, organic juice delivered over-night to your hotel,

home or anywhere in the country. Recommended for remorseful holiday-libation imbibers: the

Cleanse, a plan that provides a balance of detoxification and sustenance. Glow (which has green apples, greens and spearmint) jump-starts the day, then Fuel (with citrus juices, carrots, apples, pineapples and turmeric), Spark, Purify, Green Supreme and Vanilla Cloud (our favorite) round it out. Think of the Cleanse as the modern, salubrious alternative to plop plop, fizz fizz. \$54 plus shipping, available in select Whole Foods Markets and at [www.sujajuice.com](http://www.sujajuice.com)
