

Sea Crest Renovation

Within an easy drive of New York, Boston and Providence sits the Sea Crest Beach Hotel, which just completed a \$15 million renovation that included adding a new conference center. The historic property, located in Falmouth, Mass., is now home to the largest meetings and events space in Cape Cod, not to mention an unbeatable waterfront setting. The property has more than 30,000 square feet of flexible function space, including the new Nauset Conference Center, which offers 11,800 square feet of event space and can accommodate groups up to 1,100 guests, and the 6,450-sq.-ft. Sea Crest Ballroom, which accommodates up to 800 guests. Other meeting-related renovations include updated breakout rooms and bathrooms; new carpeting, wall coverings and lighting; upgraded audiovisual capabilities; new banquet chairs and group check-in desk; and new catering and dining options. The 263 guest rooms and suites, some with fireplaces and private balconies, are also fully renovated. —*Kate Parham*
